Fall 2010

## A Word From the President

Plans are being made for our Fall Rally scheduled for October 15, 16, 17, Twin Oaks Campground, Elko, Georgia, exit # 127 off I 75. You may call 478-987-9361 for reservations. Gary Seivers is working on a program that I am sure will be enjoyed by all. If he calls and asks you for your help, please respond with a "yes."

The plans for the State Fair are moving along well. George Anthony, Wayne Adkins, and I have met with the officials and everything is falling in place. The Georgia Baptist Convention paid the cost of the site again this year. I also want to thank all those who have volunteered to help. Ken and Linda Colburn have agreed to help the entire time with the closing every day. All of those who are helping with the Fair that can will meet for a meal together on Wednesday, October 6th, 5:00 p.m., Steakhouse Restaurant, Hawkinsville to complete the assignment schedule. If you are camping at the fairgrounds, go to the campground entrance, tell them you are with Georgia Campers on Mission. We have about 8-10 sites available.

A word of thanks is in order to Jim Wauford for keeping our website updated. Check it out and you will see officers, projects, revivals, etc. listed there. Thanks, Jim. Remember to pray for his wife, Pat.

Thought for today, tomorrow, and always: "Faith gives us the courage to face the present with confidence, and the future with expectancy."

See you at the FAIR and RALLY!

*L. Paul Day, Sr.*

## North Georgia Director

Roger Pearson is our contact for Camp Kaleo and we are trying to organize a trip to help them there at Camp Kaleo for the end of October - carpentry, (rotten log repairs, stair railing repairs) landscaping, (railroad timbers replaced) painting (log staining) and there is always cleaning to be done in those forgotten areas. He has a couple of hookups and can supply us with power. They also have cabins that we can stay in there on the property. Let me know if you need more information from me and I can try to help.

## Palmetto

Palmetto is still active, and the last time I asked there are between 40 and 50 children there. \I have been going down about once every four of five weeks to carry things for the yard sale. We were down there a couple of weeks ago for Mrs. Evans' 70th Birthday celebration and there were a few Campers On Mission that showed up for a delicious Hamburger and hot dog cook out.

The food pantry is desperate for food contributions. Frankie's SS class and my SS class have taken up close to \$500.00 to buy food for the pantry and will be purchasing and delivering it in September. I have never seen the pantry as low on food as it was the other day.

Bill Bailey has taken a new job in Newnan and will be greatly missed. Bill was a tremendous asset to the Maintenance Department and I certainly will miss him when I go down there. It is such a shame that the new campground did not work out at Palmetto as we could be doing a great service to them.

Joe and Frankie, Palmetto Facilitators.

### **State Food Committee**

For the rally in October, we will have the usual covered dish supper on Saturday night with a program following. Bring 2 or 3 of your favorite dishes. Don't forget your plate, drink, and eating utensils.

## South Georgia Director

As I sit here thinking about where to start this newsletter article, I can't help but think of what I heard the other day from a COM member. They said, "I have gotten too old to do COM work, so I just want to sit back, get the newsletter and let someone else do it." I recently heard a message by Rev. Jeff Waters from Deuteronomy, "Are You Really Too Old?" Moses lived to be 120 years old. What do you think he did all those years? Well, let me remind you that at the age of 80 God sent him on a new mission. It lasted 40 years. Are you listening to what your mission might be next? We are seeing things taking place today that we have never seen before. I think it's only a start. Benevolence in our church is up by 100%. There is so much need today. Let God decide when he is through with you.

Our rally and work projects at the Baxley Children's Home were great. We know some were not there because of family sickness and other situations. We missed you. We decided to make some changes in our South Georgia Rallies. The next rally will be March 11-13 with a work week to follow. The rally site & work project will be announced when it is finalized. I hope you will go ahead and mark your 2011 calendar and plan to be at this rally. It will be different.

I want to express my thanks and also a thank you on behalf of the Southern District to Jimmy and Barbara Payne for their leadership the last 2 years during some very difficult personal trials. Also thank you to the other officers for their work as well.

We have many of our COM group that are sick or have lost loved ones. I ask all COM members to lift them up to the Lord in prayer. Some I know of are Jimmy & Barbara Payne, Josh & Jean Cartee, Maxine Carter, Linda Weaver, Ken & Linda Colburn, Virginia Scott, and Vince Mundy.

As some of you know, I am working full time now, but I will do my best as your director.

In Him,  
 Bobby Sloan,  
 South Georgia Director
